About Tongji University

Tongji University is one of the most prestigious Chinese universities throughout the world and its history can be traced back to 1907 when the Deutsch Medical School was founded by Erich Paulun, a German doctor in Shanghai. Tongji ranks 192 in the QS World University Rankings 2025, strong in civil engineering, architecture, environmental studies, art and design, etc. With global cooperation, Tongji is developing itself into a world-class university with Chinese characteristics.
